

Junior Fair Livestock

Beef Cattle - Department G

Superintendent - Scott McGee

Pay Category 1

Read Junior Fair Livestock Rules and Health Regulations Carefully.

Feeder calves must be checked in between 7:00 A.M. and 10:00 A.M. Friday or from 12-1 P.M. Please notify the superintendent if you plan to come at the later time. Junior heifer class and stocker feeder calves that are weaned will be stalled at the fair. Unweaned calves will be allowed to come in the day of show unless this is the exhibitor's only project. *Beef exhibitors are limited to two payments for each market class number. Exhibitors are limited to one herd. Average Daily Gain must be a minimum of 2.0 lbs/day for market heifers or 2.2 lbs/day for market steers to be eligible to receive a purple ribbon.* Animals cannot be taken out to tie outs before 10 P.M.

Breeding Beef

Angus - **Division 1**

Hereford - **Division 2**

Shorthorns - **Division 3**

Braunvieh - **Division 4**

Simmental - **Division 5**

Crossbred - **Division 6**

Other breeds (75% and predominance of breeds) - **Division 7**

Breeding Heifers

901. **Junior heifer class** - January 1 to April 30 of current year. (Can also show in cow/calf class.)

902. **Heifers calved September through December previous year.**

903. **Heifers calved May through August previous year.**

904. **Heifers calved January through April previous year.**

905. **Senior Yearling Females** born July through December, two years ago (top 2 animals may compete for champion of show).

906. **Junior Two Year** -old dry Females born January through June, two years ago (top 2 may compete for champion of show).

907. **Cow and Calf** (calf must be born after January 1 of current year). Calf may also be show in the junior heifer or in the feeder calf class. Must be identified on the ID sheet by June 15 for the class.

908. **Junior Herd** - Cow and calf and one other breeding female. One animal must be bred by exhibitor. Cow and calf must be shown in the cow-calf class to be entered in the Junior Herd class.

Market Beef - Division 11

901. **Bucket calf** - 4-H'ers 7-12 years old

902. **Heifer feeder calf**

903. **Steer feeder calf**

The purpose of the feeder calf classes is to provide 4-H'ers enrolled in the Breeding Beef project and producing feeder calves an opportunity to exhibit the

product of the project. Entries may be heifer or steer calves, born during this calendar year but before June 1. Mother of calf identified on breeding ID sheet by June 15. The feeder calf is considered a market animal, but may be also shown with the cow in the Cow/Calf breeding class. If exhibiting that way, cow & calf must be brought first day of fair and left all four days. Steers and heifers show separate if numbers warrant.

Champion Feeder Calf

Reserve Champion Feeder Calf

904. **British Breed Market Heifers** - 100% purebred.

905. **Crossbred Market Heifers**

Champion Market Heifer

Reserve Champion Market Heifer

906. **British Breed Market Steers** - 100% purebred.

For purebred Angus, Hereford and Shorthorns. Steers in the British division must be owned by the exhibitor, be registered by the official breed association and exhibit breed characteristics typical of a purebred animal. *Must have registration papers.* For Hereford steers, steer certificates which show both the sire and dam as registered and which carry the breed association's official seal will be accepted. Appendixed Shorthorn steers will not be accepted in the purebred Shorthorn steer class.

907. **Crossbred Market Steers**

909. **Dairy Beef** Steers only. Steer must be born after Jan. 1, previous year, and be of the dairy breeds and must have market beef identification sheet and be weighed at the spring beef weigh day.

Champion Market Steer

Reserve Champion Market Steer

908. **Market Group** -- Three market animals from one club. Must be from at least two exhibitors. Group will be judged on quality and uniformity.

Market animals will be shown by breed and present weight classes. They must be weighed in Thursday afternoon. Pounds gained from weigh date to show date will be computed and given to the judge. Market beef animals may have two temporary incisor teeth replaced by permanent incisors. The remaining six temporary incisors must be in place.
