Performance: Pay Category 3

Exhibitor may enter once in pleasure and once in horsemanship. The same horse need not be used in every event. However, each horse must be a properly identified project horse. A jointly identified horse may show only once in each of the events including pleasure, horsemanship, reining, riding, pole bending and barrel races. An exhibitor may enter in reining or western riding but not both. Exhibitors entered in walk-trot classes are not eligible for other pleasure or horsemanship classes. Once an exhibitor has participated in pleasure or

horsemanship they are not eligible for the walk-trot classes. Walk-trot classes are offered for beginning showman, not beginning horses.
