If any exhibitor does not receive their premium check or if there is an error, the secretary should be notified in writing listing the department/division/class number and placing.

Send to home address of: Tony Likens, Secretary, 56575 Jade Rd, Fairbury, NE 68352. Fair Office phone number 729-2606 (during the fair only); or residence 729-5792.

Only those exhibits listed by division number and class number with a payment category will receive the above listed premium from the Jefferson County Fairboard. Other special awards donated by businesses and individuals will also be awarded.

Junior Fair exhibits generally will use the "Danish System" the payment categories 1 to 8 for most exhibits. Some Junior Fair exhibits like showmanship, herdsmanship, judging contest and carcass contest will indicate payment categories 11 to 21. These will pay only the top four participants, even though the ribbons awarded are purple, blue, red and white.

All Open Class exhibits and shows will use the "Danish System" with placing 1 though 3. The Jefferson County Fair pays only the top three places in each class of exhibits. In some livestock shows breed classes will be listed or

established. Each of these breeds will be considered a separate class for the payment of premiums.
