Participants may do presentations using posters, LCD, slides, video or overheads. Time limit is 10 minutes for individuals and 15 minutes for teams. A team may be composed of two to three members.

Multimedia Presentation - This is a fully automated presentation 6 - 10 minutes in length using power point. Presentations should be related to 4-H, the 4-H member's 4-H experiences, or 4-H project related. This presentation is completely free standing and only requires an introduction by the participant. The presentation will use power point and can include video and sound in the power point. No CD players or boom boxes are allowed. The primary aim of this type of presentation will be to present information clearly and interestingly while making use of an original presentation created on a computer. Participants should use MS Power Point 2000 or greater. The final presentation (.ppt or .sxi) file, must not exceed 200 MB in size. All presentations earning a purple or blue rating are eligible for state fair competition if the presenters meet the age requirements.
